THE JUDICIARY

1990 Budget Appendix Page	Heading	1989 Supplemental Request Pending	1989 Proposed Amendment	1989 Revised Request
	COURTS OF APPEALS, DISTRICT COURTS, AND OTHER JUDICIAL SERVICES			
II-4	Salaries and expenses	$9,000,000	$21,000,000	$30,000,000

This revised request would provide funds to cover a shortfall, resulting from the temporary suspension of registry fee assessments. Funds are also requested for office automation. This revised request would increase fiscal year 1989 outlays by $19.4 million.

II-4	Fees of jurors and commissioners	$4,855,000	$4,010,000	$8,865,000

This revised request would provide for the additional requirement for payments of fees to jurors and Commissioners. The proposal would increase fiscal year 1989 outlays by $3.7 million.

	ADMINISTRATIVE OFFICE OF THE UNITED STATES COURTS			
H. Doc. 101-40*	Salaries and expenses	$50,000	$1,200,000	$1,250,000

This revised request would provide funds to cover a shortfall in fees collected, resulting from the temporary suspension of registry fee assessments. Funds are also requested for office automation. This proposal would increase fiscal year 1989 outlays by $1.1 million.

	JUDICIAL RETIREMENT FUNDS			
II-5	Payment to Judicial Officers' Retirement Fund	$4,000,000	$-1,700,000	$2,300,000

This reduction reflects a re-estimate of the funds necessary to pay the retirement annuities of bankruptcy judges and magistrates pursuant to Public Law 100-659. This proposal would reduce fiscal year 1989 outlays by $1.7 million.

* Refers to document containing initial supplemental for this budget account.

DEPARTMENT OF AGRICULTURE

FOOD AND NUTRITION SERVICE

Food Stamp Program

For making, after July 31 of the current fiscal year, benefit payments to individuals under the Food Stamp Act, for unanticipated costs incurred for the current fiscal year, such sums as may be necessary, but not to exceed the amount authorized under section 18(a) of the Food Stamp Act.

This proposal would give the Department of Agriculture indefinite spending authority beyond the fiscal year 1989 appropriated amount if such spending were necessary to sustain benefits through the end of the current fiscal year. This proposal would increase fiscal year 1989 outlays by a undetermined amount only if additional funding is needed.

DEPARTMENT OF AGRICULTURE
AGRICULTURE MARKETING SERVICE

Limitation on Administrative Expenses

The limitation on administrative expenses from fees collected as enacted in Public Law 100-460 is increased to $36,500,000.

This proposal would increase the existing statutory limitation on obligations by $2.5 million. This would allow the Department of Agriculture to maintain agricultural product inspection activities by using fees to cover the cost of these activities. If this limitation increase is not provided, these inspections will cease on September 11, 1989. This proposal would not affect outlays because the increased obligations would be offset by fees collected.

DEPARTMENT OF DEFENSE -- MILITARY
GENERAL PROVISIONS

Section 8111 of the Department of Defense Appropriations Act, ~~1~~989 is amended by striking out $1,163,200,000" and substituting $1,258,600,000.

This proposal would increase the fiscal year 1989 limitation on Department of Defense funds that may be obligated for morale, welfare and recreation (MWR) activities by $95.4 million. The increase in the limitation is requested because the fiscal year 1989 requirements for MWR activities were underestimated during the formulation of the fiscal year 1989 Budget. No additional budget authority is requested. This proposal would not affect outlays.

DEPARTMENT OF DEFENSE -- CIVIL

DEPARTMENT OF THE ARMY
CORPS OF ENGINEERS - CIVIL

Regulatory Program

For an additional amount for "Regulatory program", $2,225,000, to remain available until expended, to be derived by transfer from "Construction, general".

This proposal would transfer $2.2 million from the Construction, general, account to the Regulatory program account. These transferred funds would be used for wetlands delineation training and technical assistance, additional permit condition enforcement efforts, and wetland alteration and mitigation technical support. This proposal would not affect outlays.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

FAMILY SUPPORT ADMINISTRATION

Refugee and Entrant Assistance

Under this heading in the Department of Health and Human Services Appropriations Act, 1989 (Public Law 100-436), add the following immediately before the period:

:Provided, That for the sole purpose of section 412(c)(2) of the Immigration and Nationality Act, the term "refugee" shall include Nicaraguan entrants, as defined by the Secretary of the Department of Health and Human Services, in consultation with the Attorney General

This proposed language would allocate targeted assistance funds to States taking into consideration the presence of Nicaraguan entrants. This proposal would not affect outlays.

DEPARTMENT OF LABOR

OCCUPATIONAL SAFETY AND HEALTH
ADMINISTRATION

Salaries and Expenses

For an additional amount for the Occupational Safety and Health Administration, $3,200,000, which shall be available for a grant to the State of California under section 23(g) of the Occupational Safety and Health Act.

This supplemental is necessary to finance one-quarter of a Federal government grant to the State of California for reinstituting the State's occupational safety and health (CAL/OSHA) program effective July 1, 1989. Under law, the Department of Labor provides fifty percent funding if a state opts to run its own OSHA program instead of having the Federal government inspect worksites, and if the program is approved by the Secretary of Labor. This supplemental would cover the fiscal year 1989 Federal cost of reinstating the California OSHA program grant. That program had been discountinued but will be fully reinstated by July 1, 1989 pursuant to the outcome of Statewide referendum last November. No funds were budgeted in fiscal year 1989 to cover the cost of the Federal share of the CAL/OSHA grant. This proposal would increase fiscal year 1989 outlays by $3.2 million.

OTHER INDEPENDENT AGENCIES

DISTRICT OF COLUMBIA

Inaugural Expenses Payment

For an additional amount for "Inaugural expenses payment", $1,000,000, to be derived from Expenses, Presidential Transition, General Services Administration.

This request would reimburse the District of Columbia government for unanticipated extra expenses incurred during the 1989 Presidential Inaugural. The Bush Administration took aggressive action to control costs and spent considerably less than what was budgeted. This proposal would not affect outlays.
